POLITICS

... they say, makes for strange bed-fellows. And the Democratic convention in Miami went a long way toward again bringing this point home to Americans.

All through the campaign Senators Hubert Humphrey, Edmund Muskie and Henry Jackson lambasted many of Sen. McGovern's policies as being unacceptable and dangerous to the future survival of our country.

Yet, the minute McGovern was nominated they fell all over each other in their haste to get to the microphone to be the first to say they will work for his election.

What happened to the danger to our country? What happened to his unacceptable policies? McGovern hasn't completely changed them, although he is already slithering around his previous wording on issues. The only answer can be: Politics makes strange bed-fellows.

Which leads me to observe that Humphrey, Muskie, Jackson and many others might crawl into McGovern's bed of new politics, but there will be many, many Democrats who will refuse to sleep with him come November--and I personally am one of them.

TONY GARCIA (III)

... in speaking for a group of (as he termed them) Chicanos asked City Council members at their July meeting: "What have you done for us?"

It is well and good for Garcia or anyone else to question the City Council any time on what it is doing to improve the lot of every citizen of Hondo.

But in seeking actions for future progress, let us not forget what has been accomplished in the past, and is being contemplated at the present.

Some of the past efforts which have benefited Hondo residents, and this word resident to me encompasses all groups of people living within the city limits of our town, include:

- 1) the city worked closely with Universal-Rundle when that company came to town. It now employs close to 150 persons.
- 2) a city council worked with Gary Aircraft when Art Stewart asked to locate at Hondo. The company now employs around 400 persons.

These are the two largest industries in town and were they not here many people living in Hondo would be in other cities and the town would have fewer businesses, a smaller school and less to offer its residents.

Now to the present: this City Council has cooperated in every way possible to get the U.S. Bonded Carpet Padding factory located in Hondo. At the present time no one is certain the company will ever build here, although Manager Gerald Alexander says things are looking good.

Council Working

But citizens can rest assured on one point: if the company does not locate here it will not be the fault of the Hondo City Council. Council members want the company here and for good reasons--it would provide jobs for local residents which in turn will help the business economy.

Other efforts have been made by the City Council to bring new industry to Hondo. Unfortunately, all such efforts cannot be successful--it seems there are a few hundred other cities in Texas seeking the same industries and the competition is keen.

One other item mentioned at the July meeting concerned higher wages. That is an area the City Council has no jurisdiction

Legislative committee discussed by Chamber

Whipping through a full agenda at their last meeting the Board of Directors of the Hondo Chamber of Commerce highlighted their actions with

a discussion on the appointment of a Legislative Committee.

Directors decided to invite Rep. John Poerner to the

meetings to keep Directors abreast of legislative proposals and actions.

President Bud Woods will appoint the committee members.

Directors discussed the Wild Game dinner slated for November and gave special coverage as to how the wild game could be accumulated. It was decided that in October a meeting will be held in City Park to complete plans for this annual event which honors hunters, owners and others.

The decision was also made to drop Chamber participation in the Labor Day Golf Tournament.

Chamber directors also made a decision on the management of the Hondo Chamber of Commerce. Minutes of the meeting show this decision as:

"In further discussion pertaining to the management of the Hondo Chamber, it was suggested that Secretary Lillian Porter assume all office duties with Harry Filleman assuming responsibility of outside activities and committee work. On the effective date of this change Mrs. Porter will be given an increase in salary and her hours of work increased by one each day--from 9 a. m. to 4 p. m.

For the past year the Hondo Chamber of Commerce has sponsored three spot announcements per week over

Karl Wipff joins Timmerman in game management unit

There are those that will tell you that twice as much of a good thing is always a treat.

If one follows that theory, then two game management officers representing the Parks and Wildlife Department in the western portion of Medina County will fit the description to a tee.

J. Karl Wipff, Jr. has

joined August Timmerman in the duties of game management officer, and the two will work the area together for at least another year until August's retirement comes around.

Wipff, a native of Maverick County and a graduate of Eagle Pass schools, has been with the Department for the past 4-1/2 years.

That time was spent working in the Carrizo Springs, Crystal City area.

He and his wife Elberta and their two sons, ages 10 and 5-1/2, are now living in Hondo.

"I plan on retiring in about a year," August said, "and will have the privilege of working with my replacement."

Financial seminar planned Monday, Tuesday in Hondo

by Glenn Bragg

An Agricultural Finance Seminar will be held July 24 and 25 in the Audio Visual Room, Hondo High School, 8 p. m. each night, according to Glenn Bragg, County

Agricultural Agent, Medina County.

The program was planned by the Medina County Program Building Committee and it is co-sponsored by the Hondo Chamber of Commerce, Harry Filleman, and

the County Extension Service, Rene Aelvoet, Chairman of the Program Building Committee, will serve as Master of Ceremonies.

Costs, and Types of Loans will be the topic of discussion by Tommy Hollmig, Hondo National Bank; Joe Fernandez, Farmers Home Administration; Sam Meyer, Uvalde Production Credit Association; Wayne Seigler, Federal Land Bank; and Richard Steel, Richard Carlyon Company. Each of these representatives will explain the kinds, types and requirements for loans made by their respective agency.

"Agricultural Financing in 1972 and 1973" will be discussed by Tom Prater, Economist-Management, Texas A&M Extension Service.

On the second night Kenneth Graeber, Area Farm Management Specialist, Uvalde, will tell the producer about his responsibility in obtaining finance.

A study was made in Medina County recently to determine the feasibility of a producer to change from Dryland Grain Sorghum to Irrigated Corn. Assistant Professor of Agricultural Finance, Texas A&M University, Dr. Peter J. Barry, will discuss the findings of this study.

An outstanding program on Financing Agriculture has been planned for anyone that is interested, says Glenn Bragg, County Agricultural Agent.

DR. PETER J. BARRY

Dr. Peter J. Barry, Assistant Professor of Agricultural Finance at Texas A&M, will speak at the Medina County Agricultural Finance Seminar on the second night, July 25. His topic will be "Is it profitable to change from dryland grain sorghum to irrigated corn?"

Dr. Barry is active in teaching and research in agricultural finance with emphasis on agricultural investment analysis and estate management.

He has taught at Ontario Agricultural College and the University of Guelph prior to coming to A&M.

He holds a MS in agricultural economics from the University of Illinois and PhD from Purdue. Dr. Barry is a native of Illinois.

He and his wife, Jean, have one daughter, Mrs. Kenneth Trawick.

TOM PRATER

Tom E. Prater, an economist and management specialist from Texas A&M will answer questions regarding the producer's responsibility in obtaining finance at the Agricultural Finance Seminar's second session on July 25.

Prater is a former county agent, farm and home development specialist and farm management specialist, having taken his present position in September of 1971.

He holds a B. S. and M. S. in agricultural economics, both from Texas A&M and has been recipient of the Sears Roebuck Foundation Scholarship in 1948-49 as well as the Kellogg Foundation fellowship in 1962-63.

Prater is a member of the Agricultural Economics Association, the Southern Agricultural Economics Association, Texas; the Texas Society of Farm Managers and Rural Appraisers, the Texas Agricultural Workers and Epilong Sigma Phi.

Tasty barbecue, games featured at big Festival

Some of the finest barbecue brisket in South Texas will be on hand on Sunday, July 23, here at Hondo Municipal Park. St. John's Catholic Parish's Third Annual Homecoming Fall Festival will have not only beef, but corn on the cob, and other assorted good things to eat for all to share at the festival, beginning at 10:30 a. m.

After the meal, plenty of entertainment is on tap, in-

cluding a flea market, fish pond, Country Store, cake wheel, hayride and many more. Free entertainment after 1 p. m. will include Mr. Kleypas and his Harmonica and the Ballet Folklorico Mexico-Espana, by Vivian Duke.

Father George Steubben and General Chairman Harry Filleman invite one and all for a good meal and a fun afternoon on Sunday.

SAM MEYER

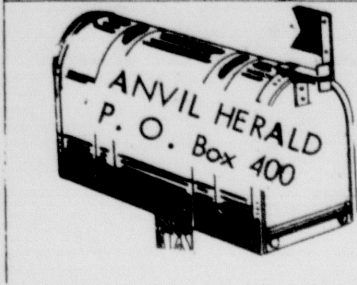

Speaking at the Medina County Agricultural Finance Seminar to be held on July 24 and 25 at Hondo High School will be Sam Meyer of the Uvalde Production Credit Association office in Hondo. He will speak on the first night concerning sources, types and costs of loans.

Meyer, a 1932 graduate of Uvalde High School, has lived in Hondo for 31 years with his wife, Modine. He has 30 years service with Uvalde Production Credit Association here in Hondo, and retired from the Hondo Volunteer Fire Dept. with 20 years service.

He went on to explain the deer crop should be better for there are lots of fawns on the ground. "Last year we had the deer but due to conditions they just didn't move around too much, and so hunters did not get as many opportunities to shoot."

Hondo Museum
Hondo, Texas
Dear Sirs:
I have just read the article in the magazine section of the Houston Post and find it very interesting. I am a D.A.R. and of course, am very interested in my ancestors.
I have some very old letters from Grandmother Anderson from a cousin of hers--Marquis E. Daniel, M.D. of Honey Grove, Texas--telling of some of the relatives of my Grandfather, David Jefferson Anderson, who was killed in a train accident

July 10, 1901. Have never been able to find out much about his family, except they came from Virginia. He stated that there was a rancher in Hondo, Texas that was a brother or near relative of my Grandfather Wm. Anderson and Robert Anderson.
I am very interested in finding out--if in your early settlers--you have such names and any descendants I could write to for further information.
My Grandfather Anderson's mother was Susan Daniel Anderson from Rockbridge Co., Va. and his father was John Anderson. I have a list of his brothers and sisters, but do not know how correct it is.

They are John Daniel Anderson, James Wm. Anderson, Charles Anderson, Nancy Jane Anderson, Peter Hunter Anderson, and David Jefferson Anderson.
My mother was Margaret May Anderson from Slater, Mo., born Nov. 14, 1882. She is now dead.
I am enclosing a check for \$5.00 for your museum and do hope I can come visit it sometime in the near future.
Thanking you for any information you can send me.

July 12
Dear Sir:
I would like to write a few lines to find out about your city.
Do they have a railroad museum there in Hondo that is open to the public? If so, is it located in town or out of town? How far is it from the bus station--is it in walking distance or would I have to take a taxi.
Is the railroad depot museum open to the public every day of the week, and if so what are the hours? What is the admission charge?
Do they have the St. John's Festival there in Hondo every year in August? If so, when will it be held in 1972? Is it held on Sunday and is it in the morning, afternoon, or night? What time does it begin and end and where is it held? How far is the place from the bus station?
Well, guess this is about all I have to write for now, so please write as soon as possible and give me all the information which I have asked for.
Yours truly,
Charles Crump

Commissioners pass resolutions

The Medina County Commissioners Court met in regular session on Monday, July 10. All members were present as the Commissioners passed several resolutions, and acted on other County business including the County Jail repairs, new election judges, a new tax rate, a reassessment of several properties by the Board of Equalization, and the construction of a radio tower on Dunlay Hill.

PLUMBING IN JAIL
Tommy Timmermann met with the Court and described the needs in the plumbing system of the jail, and replacements necessary to correct those needs. It was decided not to have a complete overhaul of the system, but to have Timmermann replace those parts needed.

ELECTION JUDGES
FOR 1972-'73
A partial slate of election judges for 1972-'73 was adopted for Precincts 1, 2 and 4, with two changes thus far from the previous list of judges.
DELIQUENT TAX RESOLUTION
A law (SB 414) passed by the Legislature created the Legislative Property Tax Study Committee, which is financed by the adding of \$1.00 fee to delinquent taxes. Some amount of confusion has been created in the tax office since the Attorney General's office has ruled that taxes are delinquent effective February 1 instead of July 1 as in the past. The Commissioners urged by resolution that the special session of the

Legislature be opened to submission of amendments to SB 414 to "eliminate some of these problems".
RC&D SPONSORSHIP
Another resolution was passed which agreed that the County would become a sponsor of the Resource Conservation and Development Program of the Alamo Area Council of Governments, and appointed Harold Stiegler as an official representative to the County RC&D Committee.
TRAILER LAW
Because of the new trailer law which places rigid brake requirements on even relatively small trailers, the Court issued a resolution calling for amendments to the trailer law to ease the burden which it places on sportsmen, farmers, ranchers and horse lovers.

JURY SELECTION
A fourth resolution passed by the Court concerned the selection of juries as specified by the New Jury Law, SB 369, which states "Once a prospective juror has been removed from a jury panel for cause, by peremptory challenge, or for any reason, he shall be immediately dismissed from jury service and shall not be placed on another jury panel until his name is returned to the jury wheel and drawn again as a prospective juror". This law has resulted in the need to call a large number of jurors whenever more than one case is set for trial, in order to have enough left for the last case. Many times, a juror may be undesirable to either side of a law suit, criminal or civil, but may be desirable to both sides, in the next case.
The Court urged Governor Smith to open up the Legislature to consider amending the New Jury Law.

SOLID WASTE DISPOSAL
The Commissioners accepted plans of operation of a solid waste disposal plan in the City of Devine, which is also to be used by Medina County Pct. 4.
SEWER EASEMENT
A resolution adopted by the Court transfers to the Medina County water Control and Improvement District No. 2 the right to construct, alter, and maintain a sewer line alongside county roads in D'Hanis.
RADIO TOWER
The County will acquire a lifetime easement on a certain tract of land atop Dunlay Hill, on which to erect a radio tower for the use of the Medina County Sheriff Department.

TAX RATE SET
The tax rate for the new County budget was set at \$1.10, according to a recommendation from Harris, Robertson and Co. Certified Public Accountants, in Sinton. The new rate will be divided tentatively as follows:
Road & Bridge Fund) (.... 0.74
General Fund)
Farm to Market and lateral Roads) 0.30
Total operating funds .. \$1.04
Road & Bridge
Sinking Fund..... 0.02
Hospital Bond
Sinking Fund..... 0.04
Total Sinking Funds..... 0.06
TOTAL TAX RATE..... \$1.10
The figures may need revision should the U. S. Senate pass the revenue sharing bill now before it. These figures are tentative.

over. Council cannot pass an ordinance ordering anyone to pay higher wages. That is up to the companies and businesses themselves. They must weigh their incomes against their conscience and if the money is there then decide what they wish to do.

To continue, let's look at some of the other projects the City Council has worked:

1) the appointment of a Housing Authority was accomplished after Mayor George Brucks and Council members attended AACOG housing meetings, heard experts in the field and listened to the recommendations of a local committee.

2) the City Council each year is enthusiastic in its financial support of the Summer Recreation Program which benefits some 100 youngsters daily for seven weeks.

3) the City Council wants to develop a neighborhood park in the area along 18th Street which heretofore has been nothing but an eye sore. Mayor Brucks, who is president of the Hondo Lions Club this year, told that group last week the City hopes its members will take on a project to help furnish part of the park. I am sure he will make the same offer to the American Legion posts, the G.I. Forum and Auxiliary, the VFW post, the Garden Club, and other civic organizations or groups that want to express a constructive concern about Hondo.

4) the City Council is investigating the cost and feasibility of expanding the Hondo City Park so that it might accommodate more families and other groups.

Flood Remedy Sought

5) the City Council has heard reports from the Corps of Engineers, the Neches River Authority, the Soil Conservation Service, HUD, and numerous other agencies in its search for eliminating the threat of flooding in Hondo. It is studying storm sewers; it is studying the need for a larger sewage treatment facility in the not too distant future.

6) the City Council went all out in helping create the Medina County Museum and thus preserve the heritage of our county so that future residents can know what sacrifices were made to carve this civilized niche out of the wilderness.

7) the City Council has cooperated fully in establishing a fine public library in Hondo.

8) the City Council has given raises to city employees in an effort to bring their wages in accordance with living conditions. It would only be fair for me to say that perhaps over the years City Council members have not worked as diligently as they could have to improve all aspects of our city. But they certainly have not set on both hands all this time. And I am convinced they will continue to expend more effort along these lines.

Projects Cost Money

Mayor George Brucks told Tony Garcia at that last meeting: "You people being here is one of the big changes we have seen in Hondo over the past four years. It proves you are interested in expressing an opinion about the way your government is run. Maybe we don't take immediate action on every request you make, but every Councilman here is hearing you and thinking about your problems."

What Mayor Brucks did not say, and which I believe must be pointed out, is--all the projects discussed in this column and the many other problems confronting the Council daily cannot be solved by a snap of the fingers or wishful thinking.

They require thinking, planning, effort--and above all, they require money. Money that is obtained in two ways by our city--tax money coming from property and sales taxes; and profits derived from the city operating the electric utilities and the airport properties.

Expenditures in operating the city at the present time use up all the monies taken in from these sources. To accomplish any new programs or projects would require extra

money. And it does not take long to realize that this needed money would have to come from increased taxes, or increased utility rates.

I do not say that the dreaded idea of increases taxes or rates should deter the City Council from voting needed programs, (and I am convinced that it will not deter them).

But it certainly is a factor that has to be considered carefully when the Council thinks about answering anyone's question on "what have you done for us."

HOW'S THIS

. . . for a coincidence! Last week I wrote in this column about the story of two Medina counties, one in Texas and one in Ohio.

Tuesday, Getter Crow called to tell me his grandfather and namesake, Origen Henry Getter, was born in Medina County, Ohio and died in Medina County, Texas.

He said his grandfather brought his family to this part of Texas when his mother was 12 years old. She celebrated her 99th birthday Monday.

TO PROVE

. . . a point, Doc Taylor will go to any extremes especially when it means he has called the shot on rainfall. Back around June 22 he told me and the world, that there would be a moon change on July 18 and he looked for some rain.

Well, Tuesday was the 18th and he came by the newspaper office to "take me out to see some broom corn." But when we reached his place northwest of town we found it had rained a little better than an inch.

And I don't believe I have anyone so pleased to "hit something right on the nose."

Purpose of the seminar, according to Rodgers, is to convey to the students a better understanding of our American heritage and the capitalistic private enterprise system "that has made ours the greatest of all nations."

"They will also be informed about some of the forces, both internal and external, that are eroding our way of life," Rodgers said. "The ultimate goal, in addition to helping them to be better informed, is to cause them to want to pass on their experiences to others."

Several nationally-known authorities will be discussion leaders at the seminar. They include Dr. Clifton Ganus, president of Harding College, Searcy, Ark., who will speak on "Understanding and Preserving our American Heritage", "Moral Foundation of Freedom", and "Pyramid of Freedom".

Cleon Skousen, lecturer of "The Naked Communist" and other publications, and former FBI agent, of Salt Lake City, Utah, will speak on "History, Strategy, and Tactics of the Communist Party".

Tom Hollingworth, Tulsa, Okla., former member of the Green Berets, will discuss "Behind the Scenes in Vietnam". Dr. C. L. Kay, assistant president of Lubbock Christian College, Lubbock, will speak on "Freedom is on Trial" and "The Battle Ahead".

Chamber Manager Filleman has reminded local businessmen and other employers that the Chamber is a clearing house for persons seeking employment and employers seeking personnel.

A Texas Employment Commission representative is at the Chamber every Tuesday to review applicants and help them if possible. "We have placed several persons on jobs and referred others," Filleman said. "And we feel we can do the community a fine service if everyone will take advantage of the opportunity."

Bernadette Zerr is bride of Wm. Thomas Wauson

Miss Bernadette Ann Zerr, daughter of Mr. and Mrs. Samuel J. Zerr of D'Hanis, became the bride of William Thomas Wauson, son of Mr. and Mrs. Julius C. Wauson, Sr. of Pearsall, on June 11, 1972 at 4 p. m. in Holy Cross Catholic Church in D'Hanis. Rev. Father Victor Schmidtzyński, celebrant of the nuptial mass, administered the Holy Sacrament of matrimony at the double-ring ceremony uniting the couple in marriage. David Zinsmeyer, godfather of the bride, served as lector and read the Scripture readings for the day of marriage.

Given in marriage by her father, the bride wore a gown of candlelight satin organza. The bodice was fashioned of re-embroidered Alencon lace and Venise lace trim accented with pearls. The neckline was designed with a high ruffle of organza, a pleated yoke and long lantern tucked sleeves, with re-embroidered Alencon lace appliques. The A-line skirt fell from the modified waistline accented with the lace appliques. The detachable train was circled with the Venise lace that fell gracefully into a flowing chapel train. A Juliet cap designed with Alencon lace and jewels held her floor-length veil of illusion. The bride wore a dainty cross and

chain, a gift of the groom.

For her something old, she wore a gold pin-watch belonging to her grandmother, Mrs. Louis Carle. The watch had been an engagement gift to her grandmother from her grandfather, Louis Carle. The bride carried a butterfly fashioned of ribbon and net; the body of the butterfly was made of white daisies, baby's breath, pearls and ribbon love knots, streamers of candlelight satin.

Matron of honor, cousin of the bride, Mrs. David McGehee, was attired in orchid. Junior bridesmaid, Shelly Ney, wore hot pink.

Other bridesmaids were Karen Burrell wearing orange; Jane Rothe in mint green; Sharon Santleben in yellow; Kay Huser in aqua, and Susan Graff in daphnium blue. The polyester dotted Swiss old-fashioned long dresses of the bridesmaids were a rainbow of colors trimmed with white lace. Floppy picture hats in white with ribbon matching color of the bridesmaids dress were worn. They carried white wicker baskets of daisies, the centers of rainbow colors to match their gowns.

Flower girl, Nicole Ney, of Houston, cousin of the bride wore an identical dress of the bridesmaids in

serving his brother as best man was Dallas Wauson of Kerrville. Groomsmen were Ralph Zerr, brother of the bride, David McGehee, Charles Curtis, J. M. Lindsey and Arnold Saunders. Master Victory Henry Zerr, Jr., godson and nephew of the bride, was ringbearer. Ushers were Victor Zerr, brother of the bride, J. C. Wauson, Jr., brother of the

groom of Grass Range, Montana, Wayne Hastings and Charles A. Koch.

On either side of the altar stood tall candleabras with white candles and tall baskets of an assortment of white glads, daisies, mums, statice and baby's breath. A spring basket was used beneath the large crucifix above the main altar. A white arrangement was on the Guadalupe Altar.

Mrs. A. H. Finger, organist, played an organ selection of "More" preceding the processional. At the Offertory of the Mass, Baritone Henry Martin Finger sang Schubert's "Ave Maria". The mixed choir sang "The Lord's Prayer", "O Lord I am not Worthy", and as the bridal couple stood before the altar of our Lady of Guadalupe, patroness of North America, they sang "On this Day O Beautiful Mother".

Reception followed at St. Dominic's Hall where approximately 600 guests were registered by cousins of the bride, Miss Terry Carle, and Little Miss Melissa Langfeld. A barbecue beef supper was served to the guests. Denise Floerke, Molly Zerr, Beverly Zerr, Linda Zerr, Melissa Wall, Marilyn Scott and Sharon Eckhart served cake, punch and coffee.

For traveling the bride chose a floor-length dress of old-fashioned style with patchwork skirt coordinated bodice of orange and white. The couple flew to Las Vegas. They are presently making their home in Corpus Christi where he is employed by the Department of Public Safety as a Highway Patrolman.

Bridal luncheon honors Miss Jane Keath

Miss Jane Keath of Sabinal, bride-elect of Seth Witcher, Jr. of Clifton, was honored July 5 with a luncheon and rice-bag party at the home of the honoree's aunt, Mrs. S. B. Woolls of Hondo.

Since the bride's chosen colors were shades of pink, she and her mother, Mrs. M. E. Keath, Sr. of Sabinal, were presented with corsages of pink sweetheart roses.

The four tables were laid with lace and cut work cloths centered with lovely floral arrangements of shades of pink glads, mums, camations, statice and baby's breath in white bisque cherub vases; matching candle holders held the pink tapers.

The guests served themselves from a buffet which included creamed chicken in pastry shells, buttered carrots, in-season fruits with poppy seed dressing, a relish tray, small dinner rolls, strawberry parfaits, and pink petits fours. After the luncheon the guests enjoyed making rice bags of hot-pink rice tied with pale

pink ribbons.

Guests from Sabinal included the honoree and her mother, Mmes. Richard Nunley, Tommy Oliphant, Robert Habermacher, Erwin Soyars, Elton Burns, Leroy Langford, Milo Riley, Vernon Smith, Lon Rushing, Jr., Ralph Colvin and Cecel Armin.

Also attending were Mrs. Gordon Ware from ConCan, Mrs. George Collum of Dallas, and Mrs. J. S. Rock of Conulla.

San Antonio guests were Mmes. J. L. Daniel, J. A. Landrum, Robert Moore, Dwayne Knight and Michael Ward.

Hondo guests were Mrs. Dan Keath and Mrs. Morris Shelton.

Hostesses for the occasion were Mrs. Bart Woolls and her daughters, Miss Sandra Woolls of San Antonio, and Mrs. Paul Logan of Dallas; and Mrs. M. E. Keath, Jr. of Austin. The hostesses presented Miss Keath with a beautiful cut glass water pitcher.

Pre-nuptial showers honor Miss Zerr

KITCHEN SHOWER

Bernadette Zerr, bride-elect of William Wauson, was honored by Mrs. William Smith with a kitchen shower at the Thunderbird Apartments in San Antonio. Guests played kitchen games and were served cake, punch, coffee and nuts.

PERSONAL SHOWER

The Lawrence Carle home was the scene of a personal shower. Spring flower arrangements were in view as well as centered in a wicker basket on the serving table. Rainbow colors were used throughout. Tea cakes, finger

sandwiches, punch and nuts were served.

Entertainment for the afternoon included the tearing out of a blank sheet of paper a "Love Bird". The bird torn by Mrs. Bud Guinn was selected as the best. Other games were played and rice bags were made.

Hostesses were Mrs. David McGehee, Misses Shelly Ney, Jane Rothe, Sharon Santleben, Kay Huser, Karen Burrell, Susan Graff and Terry Carle. They presented the bride with a gown-negligee set.

BRIDESMAIDS LUNCHEON

Miss Zerr and her bridesmaids were complimented by Mrs. W. P. (Bud) Guinn and Mrs. Samuel Zerr with a luncheon on the Casa Rio River Boat in San Antonio.

Guests included Mrs. W. C. Wauson of Pearsall, Mrs. Walter Oreschnigg of Kingsville, Mrs. Bailey Rogers and Miss Susan Graff of Hondo and Mrs. David McGehee of Bryant.

HONDO CITY ELECTRIC SYSTEM

Buying an Air Conditioner? LET US GIVE YOU FREE INFORMATION

For free wiring inspection or advice on how to get the most out of your air conditioner call 426-3377. Air conditioning costs less to buy and operate than it did ten years ago.

HELPFUL HINTS FROM YOUR CITY ELECTRIC SYSTEM

Here are thirteen important things to know which will save you money on the operational cost of air conditioning:

1. CLEAN FILTER at least every two weeks.
2. CLOSE FRESH AIR REGULATOR — avoid hot outside air; open on cool nights.
3. DRAW DRAPES and shades to keep out the sun.
4. INSTALL AWNINGS or plant trees on west side of your house.
5. SET THERMOSTAT at 76 degrees for comfort and economy of operation. (Check with inexpensive thermometer.)
6. INSTALL SHADE SCREENS on windows exposed to sun.
7. PROPER INSTALLATION of your home insures better results.
8. KEEP PLANT GROWTH away from units.
9. CHECK FREON if cooling is weak.
10. ADEQUATE WIRING is essential.
11. DO NOT OVERLOAD your air conditioner!
12. KEEP FURNITURE away from air outlets.
13. If you are going to be away from home all day you will find it economical to turn the unit off. When you turn it back on it should take only 20 minutes to start cooling effectively. If you will be away for shorter periods (shopping in the mall, for instance) set the unit on FAN ONLY.

Normally central air conditioning units cost \$8.50 a month per ton for operation at a thermostat setting of 76 degrees. For each degree lower than 76 cost will increase 10 per cent more per ton to operate. Example— at 72 degree setting the average is \$12 a month per ton.

Moore-Tilley vows exchanged

Miss Brenda Ann Moore and Douglas Tilley were united in marriage Saturday, July 1, 1972 at 7 p. m., at the Community Presbyterian Church in Natalia, Rev. Duke Kilgore, pastor of John Calvin Presbyterian Church in San Antonio, performed the double-ring ceremony.

The bride is the daughter of Mrs. Norma Moore of Natalia and Billy C. Moore of LaVernia. The groom is the son of Mrs. Annie Mellott of Natalia and the late Edward Tilley.

The church was decorated with arrangements of yellow and white daisy mums. Gaylon DuBose played the nuptial music on the organ and he accompanied Mrs. H. J. Benner as she sang "We've Only Just Begun".

The bride, given in marriage by her father, wore a white floor-length gown of organza over satin designed with a fitted bodice trimmed with lace standing collar and long puffed sleeves gathered to fitted buttoned cuffs. Her veil of illusion was attached to a satin bow. She carried a bouquet of yellow rosebuds.

Mrs. Carol Campsey was matron of honor. Mrs. Wilma Moore from Oklahoma City, sister-in-law of the bride, Mrs. Connie Stiefer and Miss Joy Wells of Natalia served as bridesmaids.

They wore identical floor-length A-line sleeveless dresses of yellow dotted Swiss designed with ruffle trimmed bodices. They each carried a bouquet of yellow and white daisy mums.

Bill Lunsford from Austin was best man. Groomsmen were Billy Moore from Oklahoma City, brother of the bride, Rick Campsey and Ronnie Williamson, both from Lytle. Joey Moore, brother of the bride, and Richard Vonn from San Antonio.

Mrs. Karen Wheeler presided at the bride's book where approximately 75 guests registered.

A reception was held immediately following the ceremony in the church fellowship hall. Miss Janice Hagen from Devine and Tillie Word from San Antonio served at the bride's table.

Miss Laura Hartley served the groom's German chocolate cake and coffee.

After a short wedding trip to Corpus Christi, they are temporarily at home in Natalia.

The bride chose for her travelling attire a yellow and white A-line dress with a standing collar and short sleeves. Her corsage were rosebuds from her bridal bouquet.

The bride is a graduate of Natalia High School. The groom graduated from the

Pettus High School. He is employed as a construction worker in San Antonio.

Devine students receive scholarships

AUSTIN--More than 130 Texas high school graduates have been named recipients of scholarships by The University of Texas Interscholastic League Foundation.

Among the students from Devine are William L. Anderson of 700 Pilgrim Drive, \$4,000 Welch Foundation scholarship, UT Austin; and Terry Hardt, 201 Jay Drive, \$750 Clark Foundation scholarship, Texas A&M University.

Approximately \$180,000 in scholarships ranging from \$500 for one year to \$4,000 for four years has been distributed by the foundation for the 1972-73 academic year.

According to Dr. Rhea H. Williams, director of the Interscholastic League, in order to be eligible for the scholarships, the students had to have graduated during the current academic year, have competed in State Meet literary or academic contests and must have submitted College Entrance Examination Board scores or the equivalent.

Many of the scholarships are to be used at the Texas college or university of the recipient's choice. Others are designated for use at specified institutions. All scholarships must be used in Texas, however, said Dr. Williams.

Lutz reunion held at D'Hanis

Approximately 80 relatives including seven children, grandchildren and great-grandchildren gathered at the home of Fred Lutz for a family reunion on Sunday, July 13.

The eldest attending relative was Mrs. Robert E. Haby age 81 of Rio Medina, sister of Mrs. Elizabeth Lutz. The youngest great-grandchild was Amy Wolff, age 4

months, daughter of Mr. and Mrs. Ray Wolff.

Other dinner guests were the Rev. Victor G. Schmidt-zinsky of D'Hanis, Mr. and Mrs. Olen Haby and sons of Rio Medina, Mrs. Alma Bernelle of Dunlay and Miss Sherrie Sultenfuss of Devine.

The families came from LaCoste, LaVernia, Kerrville, San Antonio, Hondo, Rio Medina and D'Hanis.

HD Club tours local homes

The Hondo Home Demonstration Club met recently and toured several beautiful and charming homes.

The group of about 20 ladies were welcomed into the homes of Mrs. Parker Meyer, Mrs. John C. Winkler, and Mrs. Fred Graff.

After a most delightful afternoon, the group returned to have refreshments and a short business meeting at the home of Mrs. Rothe Martin. Mrs. Robert Graff was selected as delegate to the State Convention in Houston in September.

The next meeting will be August 15 at 1:30 at the City Auditorium where the Hondo girls appearing in the 4-H Dress Revue will model their garments.

... Mrs. Jim Crow, who celebrated her 99th birthday with a party Monday at Brown's Nursing Home, enjoys a piece of one of the three cakes baked for the celebration. She is flanked by her sons, Origen and Benjamin, and her daughter, Mrs. Meda O'Connell.

Mrs. Jim Crow turns 99

Mrs. Jim Crow was honored on her 99th birthday with a party at Brown's Nursing Home, held July 17. Three cakes were needed to serve all the celebrants.

Mrs. Crow, at the verge of being a centenarian, took time out of the busy birthday party to observe that next year "there ought to be a square dance, and I want to dance with you (the orderly first)".

At her age, Mrs. Crow can remember the fire which destroyed the first Texas Capitol building in Austin in 1881, because she is an eyewitness, perhaps the last one alive.

At the right place at the right time, she could have also been an eye-witness to Custer's Last Stand. She does remember the first railroad track to be laid in Medina County and can remember the track crews in Hondo.

She is still spry, able to walk with the aid of a walker, and downed her second piece of birthday cake with no trouble at all. She complains only of some problems with hearing and seeing.

Mrs. Crow moved to Hondo at the age of 7 and never left again. Her father, a veteran of the Civil War Northern Army of occupation, married the daughter of the mayor of Little Rock and moved to Texas, settling near the present town of Big Foot. Mrs. Crow remembers Hondo before the turn of the century, and has seen the first train, automobile, and airplane pass through the city.

Asked how she managed to knock on the door of the century mark, Mrs. Crow replied, "I don't know, but I guess the Lord willed it, and that's how it happened."

Mrs. Crow was joined in the celebration by her two sons, Benjamin and Origen, her daughter, Mrs. Meda O'Connell and her granddaughter, Mrs. E. L. Barrow, Jr.

The D.B. Canions observe 50th anniversary

Mr. and Mrs. D. B. Canion of Natalia were honored on their 50th wedding anniversary on Sunday, July 9, 1972 at 1:30 at St. Matthew Catholic Church Hall in Lytle with a reception and barbecue dinner. The occasion was sponsored by their sons and daughters, Mr. and Mrs. Ollie Courtney and Mr. and Mrs. M. L. Canion of Lytle, Mr. and Mrs. Darrell Canion Jr. of Carrizo Springs, Mr. and Mrs. Jack Canion, Mr. and Mrs. Glenn Canion and Mr. and Mrs. Jim Harris of Huntsville, Arkansas, and Mr. and Mrs. Gordon Ward of Yancey. Mrs. Courtney served as mistress of ceremonies.

Mrs. Canion chose to wear a pink double-knit A-line dress designed with a jewel neckline and short sleeves. She wore a golden rosebud corsage. Mr. and Mrs. Canion were married July 13, 1922 in Port Lavaca.

Miss Glenda Canion, Lytle, granddaughter, registered the guests of approximately 200. The honoree's serving table was covered with a white lace cloth and decorated with an arrangement of white gladiolas, white roses, lilies of the Valley and baby's breath.

The white cake, a three-tiered confection, was decorated with yellow roses, green leaves, white swans and centered at the top tier with the emblem "50" in gold letters baked and decorated by the honoree's granddaughter, Mrs. Lana Applebee of Huntsville, Ark. J. B. Reagan of Knippa gave the prayer of thanks. Mr. and Mrs. Canion were honored with the presence of their seven sons, daughters

and their wives and husbands, except Mrs. Jack Canion, and his brothers and sister-in-law, Mr. and Mrs. Randall Canion, Sabinal, and Dock Canion from Houston.

4-H Dress Revue slated in Natalia High School Mall

The Medina County 4-H Dress Revue will be held Friday night, July 21, at 8:00 in the Natalia High School Mall.

Sixty-two girls have entered the Dress Revue in Pre-Teen, Junior-Teen and Senior divisions. The winners in these three categories will advance to the District Dress Revue at Joske's Auditorium on August 8. The winners in our District 13 Revue will compete in State Dress Revue held at the State Fair in Dallas October 6-7.

The objectives of the Dress Revue are to help 4-H girls and boys build self confidence through developing skills in planning, selecting and constructing clothing, an awareness of current fashion for the individual and how it expresses her personality; to provide an opportunity to make and model a garment that is an asset to the wardrobe; and to develop poise, good posture and habits of good grooming.

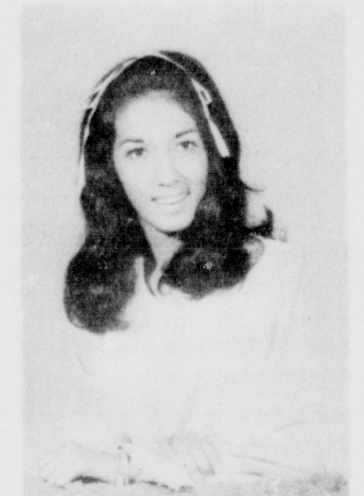

Approximately 90 girls have been enrolled in the 4-H Clothing Projects this summer. Twenty-five adult and junior leaders from throughout the county have worked with the girls.

The girls submitted record books which have been judged by out-of-county judges. The construction of the garment and modeling will be judged Thursday at the Methodist Church in

Hondo. Winners will be announced at the Dress Revue Friday night.

The general public is invited to the County Dress Revue which is free of charge.

Greg Meyer makes UT honor roll

Among the eighty-nine students at the University of Texas School of Architecture who have been named to the 1972 spring semester honor roll is Gregory Kenneth Meyer, son of Dr. and Mrs. John Henry Meyer.

Students qualifying for the honor roll accumulated a total of at least 45 grade points for the semester, for a minimum

of 15 hours of course work. Total grade points are calculated by multiplying the number of semester hours undertaken by the value of each grade (an A equals 4 points).

Gregory's name was included in the High Honors list, the second highest list on the Honor Roll.

Charles Collins, David and Justin motored to Wynnewood, Oklahoma Sunday for the night with Mr. Collins' aunt, Mrs. Minnie Hawk, and they accompanied his mother, Mrs. Laura E. Schneider, home after she had visited for 36 days.

Hondo included in pollution control

Elmer R. Faseler, water and sewage superintendent in Hondo, has been named to direct the city's water pollution control and abatement program required by S. B. 835 which orders cities of 5,000 population or more to establish such programs on a local basis.

Administered by the Texas Water Quality Board, local programs have been established in the 217 Texas cities to which the law applies. Meetings with city officials were held by TWQB officials earlier in the year and additional conferences are being scheduled during July and August to answer questions and provide whatever help the cities need in handling their programs. Tom Kelly of the TWQB will conduct the meetings for which dates will be announced.

Cooperating in scheduling the conferences will be 24 Councils of Government within which all of the 217 cities are represented.

SB 835 directs cities within the specified population range to perform pollution control functions, develop an inventory of waste dischargers, monitor all significant discharges, collect samples and conduct periodic inspections, and to use legal enforcement when necessary.

- ON-JOB WORK - MAN and WIFE -**
550 Hours/Year
25% of TIME
- WORK - PHYSICAL - MAN and WIFE -**
550 Hours/Year
25% of TIME

25% of the 2200 annual hours will be devoted to INSTITUTIONAL (COLLEGE) TRAINING COURSES and through guidance provided by C.T. Gilliam, 550 hours of College per year, properly applied and worked on by MAN Trainee will lead to a degree in Industrial Engineering or Industrial Management and/or both within 7 years time or before, depending on the Trainee. WIFE Trainee will likewise be assigned 550 hours per year courses in selected college for training in Office Management, in Secretarial duties and in Business and Economics. Her ultimate degree will be in Business Administration. Both MAN and WIFE must comply with selected courses and spend time diligently in carrying out the assignments until the degrees are awarded. The schools or colleges will be in Los Angeles, County, California-one or more of several selections.

25% of the 2200 annual hours or approximately 46 hours per month will be devoted to learning engineering and economics by assignments of specific plant survey work - both field and office to both MAN and WIFE. MAN Trainee will be assigned field survey work making operating inventories of various types of machines, filling out designated technical forms and performing field work of all types, including listing, calculating and drafting in plant surveys. In four years of such training MAN Trainee will have learned more about practical industrial engineering than in any similar time spent in college work. WIFE Trainee will do typing and strive to become a master typist - research assistant and use of calculator.

This means Field Work and Office Work all Technically construed as industrial engineering, electrical engineering and/or mechanical engineering. MAN will spend 550 hours per year in this intense course in engineering applied practically to IN-PLANT OPERATIONS STUDIES. WIFE will write, type and calculate practical technical process forms for engineering betterment reports. Her work will be in line with Office Management Training.

MAN-Superintendent of facilities-Physical Work as Yard man, Gardener, Carpenter, Plumber, Electrician and General Maintenance including Janitorial duties for Offices. WIFE - All elements of Housekeeping meaning an average of 1.6 hours daily.

With this plan of training, including a Home, all Utilities and all schooling paid, plus \$200.00 per month cash, we will need to be assured that APPLICANTS have stamina, ambition and determination to succeed in this undertaking. MAN to become a superior trained engineer whose earning level will be a range of \$800.00 minimum per month to \$1500.00 (Some Trainees are earning \$550.00 within 6 months of training.) WIFE to develop ability to have earning rate of \$600.00 minimum per year.

Employer is a native of Bandera and Medina County, Texas. Mrs. Gilliam is a native Texan. We have deep admiration for the rural area type young people and, particularly, the GERMAN young people. We both have Master Degrees in Psychology; both have written books on TRAINING and both are possessed with the idealism of helping worthy persons to become successful as some 25 Trainees from similar courses have already done in in developing great earning power.

THE CODE:

- Selected people must be Christians who will spend a fair amount of their spare time in building within themselves the Christian spirit of SERVICE to GOD, Fellow Man and COUNTRY.
- NO DRINKING and SMOKING PERMITTED. We know it destroys dynamic physical health and we will not tolerate it.
- What we are offering is one of the greatest opportunities given any person. We summarize that opportunity as follows:

- Free Housing and Utilities
- Free Schooling in selected schools
- Starting Pay of \$200.00 per month with upward trend
- Transportation arrangements
- Experience that will make you qualified for employment
- If Trainees quit or fail to work diligently and are asked to leave, then all obligations cease
- We sincerely want an outstanding couple and will enjoy seeing them enjoy life as they build their competency

HOW TO APPLY:

MAN and WIFE each write a six-page letter to C.T. GILLIAM & ASSOCIATES at 2758 North Holliston Avenue, ALTADENA, CALIFORNIA 91001 submitting the following data:

- Family background - Father, Mother, Other members of the family
- Schooling - Where attended, Grades in subjects
- Work - if any - type, where, how long, pay rates
- Church affiliations - where, pastor, etcetera
- Sports interests and activities through school
- RECENT PHOTOGRAPH OF EACH MUST ACCOMPANY LETTERS
- REFERENCES - 3 - 1) Teachers (3)
2) Minister
3) Employer

Upon our receipt of these letters we will send you a QUESTIONNAIRE representing what we call a VOCATIONAL TEST. Each of you will fill out your form and return it to us. We will then arrange to interview you personally - possibly at the home of my Brother, Ashbell C. Gilliam north of HONDO.

REMEMBER:

This offer is for a rigid training course, both College and On-The-Job - for two persons who are willing to pay the price of diligent work and hard study to place them in an earning capacity of \$10,000.00 per year. All statements made herein concerning work, On-The-Job Training, In-College-Training, and WORK in Field and Office are for average conditions - up or down by 10% - spread over a FOUR-SEASON YEAR.

Hilsher-Darnell vows exchanged in St. Paul Church

Miss Sharon Lynn Hilsher became the bride of Thomas Richard Darnell in a double-ring candlelight ceremony on the evening of June 10, 1972 at St. Paul Lutheran Church with Rev. A. M. Hannemann, pastor, officiating.

Parents of the couple are Mr. and Mrs. Edward J. Hilsher, Jr. of Hondo and Mr. and Mrs. Rex Darnell of Bellevue, Washington.

The church was decorated with white gladiolas, chrysanthemums and candlelabra. Traditional wedding music

was played by Mrs. Chester Schmidt, also the theme from "Romeo and Juliet" and "We've Only Just Begun".

Given in marriage by her father, the bride wore a bridal gown of silk organza with Alencon lace appliques in the design of roses. The lace appliques were embroidered with pearls and crystal beading. The A-line dress was designed with an empire waist and high neckline, the sleeves of bouffant with a tight-fitting cuff. The gown

and chapel-length train were bordered with lace scallops and also embroidered with pearls and crystal beading. Her elbow-length veil of silk illusion was held by a lace and pearl tiara. She carried a bridal bouquet of white sweetheart roses.

Maid of honor was the bride's cousin, Miss Pamela Schuchert of San Antonio. Bridesmaids were Misses Sally Darnell, Bellevue, Wash., sister of the groom; Jane Erickson, Houston; and Linda Wendt, El Campo.

They wore identical dresses of aqua organza over taffeta with an empire waist and A-line skirt. The bodice was trimmed with white lace as was the puffed sleeves. The neckline was high and was also trimmed with lace. They wore white chrysanthemums in their hair and carried a colonial bouquet of white chrysanthemums and aqua-tinted baby's breath.

Serving as best man was Dave Craven of San Antonio. Groomsmen were the bride's brothers, Edward J. Hilsher, III and Jeffrey Hilsher of Hondo, and Frank Porado, Douglas Peters of Amarillo was the usher.

The reception, given by Mr. and Mrs. Hilsher, was held in the church annex. The bride's table was laid with a white floor-length net tablecloth and skirt over white taffeta. It was trimmed with white satin ribbon. The floral arrangement was in a cupid epergne and was of white gladiolas, carnations and baby's breath. Silver candlelabra with white tapers, the bride's cake and crystal punch bowl completed the bride's table.

The groom's table was laid with an aqua net tablecloth over aqua taffeta trimmed with silver. A silver coffee service, groom's cake and a silver and candle arrangement completed the groom's table.

Serving at the reception was Misses Carla Cable of Houston, Laurie Kaffenburger of Houston, Ruel Wiley of Austin, Janice Morehouse of San Antonio, Mrs. Victor Kellman and Mrs. Buddy Jones of Hondo. Presiding at the bride's book was Miss Nancy Brown, cousin of the bride.

For their wedding trip to Galveston and Houston, the bride wore a Navy and red dress trimmed with white accessories and a white orchid. They are now at home at 7203 Marbach, San Antonio.

By Mary Belle Zerr

PFC David A. Scott arrived home Friday having completed basic training and advanced individual training at Fort Polk, La. when he has been stationed for the past five months. He is spending his 14-day leave in the home of his mother, Mrs. D. W. (Pauline) Scott and sister, Marilyn. His new station will be Fort Meyer, Va.

Mrs. Fred Britz accompanied her son, Fred, Jr., and his wife of San Antonio to Fredericksburg last Monday for the funeral of John Britz, who passed away on July 7.

Mrs. Betty Carle and Mrs. Bernice Finger returned home last week after an extended visit to Garland where Mrs. Finger made the acquaintance of her newest granddaughter, Tina Suzanne, daughter of Mr. and Mrs. Gus Herring. Mrs. Finger has another granddaughter, Sara Adine, daughter of Dr. and Mrs. Mike Finger. She was born March 30 in Geneva, Switzerland where her parents are presently making their home. Mrs. Carle and Mrs. Finger also visited with Miss Peggy Finger of Dallas and the James Finger family of Duncanville. Grandson "Little J" and Ken Finger returned to D'Hanis with their grandparents for a visit, returning to their Duncanville home with their parents, Mr. and Mrs. James Finger, who were in D'Hanis for the Ney-Fruit wedding on Saturday. Miss Marilyn Finger and Mr. Chuck Ballard were also guests in the home of Mrs. Carle and Mrs. Finger and attended the wedding.

Mr. and Mrs. Jim DeAngelo (Jim and Theresa) and their three daughters, Donna Marie, Deena and Debra have returned to their Wallingford, Conn. home after spending several days as the guests of the Lawrence Carles at the Carle Ranch. This was their first visit to Texas and they also crossed the border into Mexico. Other guests in the Carle home were J. P. (Skip) Barchfeld and his son, Skipper Barchfeld, Jr. (friends of the DeAngelos) of Cheshire, Conn. Skip combined business and pleasure as he was in Dallas on business and piloting his plane to D'Hanis. Numerous relatives enjoyed a ride in his plane. In Dallas, he visited another relative, Tom Boog and his family. Another first time visitor to Texas was F. J. Barchfeld of Brentwood near Pittsburgh, Pa. who spent a week in D'Hanis.

Both Skip and F. J. are the sons of the late Lucy Barchfeld who was well known here. F. J. read an article in the Hondo Anvil Herald which was published in 1961 written by Mrs. A. H. (Josie) Finger regarding his uncles, August and Jess Rest. He had copies of the article copied to take home with him. He stopped in Texas en route home from Los Vegas, Nevada.

Mr. and Mrs. Melvin Weynand spent the weekend in Houston with Mr. and Mrs. Glen Weynand and daughters, Kim and Michelle.

Mrs. Joe Mueller accompanied Mrs. Charles Tondre of Hondo to Houston where they spent the weekend in the home of Dr. and Mrs. John Hardy and daughter, Kimberly.

Card of Thanks

Our recent sad loss leaves us with grateful hearts toward neighbors and friends. Their comforting expressions of sympathy and thoughtfulness will always be remembered. Special thanks to Sheriff Charles Hitzfelder and his staff, the Devine police, Guinn Horger Funeral Home and to Father Victor Schmidt-zinsky for his comforting words. And to friends and neighbors and others who brought food and gifts and in any way helped to ease the terrible pain we suffered.

CITATION BY PUBLICATION

THE STATE OF TEXAS

TO: Eugene Aliff, Defendant, Greeting:

YOU (AND EACH OF YOU) ARE HEREBY COMMANDED to appear before the District Court of Medina County at the Courthouse thereof, in Hondo, Texas, by filing a written answer at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 7th day of August A.D. 1972, to Plaintiff's Petition filed in said court, on the 2nd day of June A.D. 1972, in this cause, numbered 6834 on the docket of said court and styled Leatrice Aliff (Petitioner), Plaintiff, vs. Eugene Aliff (Respondent, Defendant).

A brief statement of the nature of this suit is as follows, to-wit: In action for a divorce from the Defendant alleging the marriage of the Plaintiff, (Petitioner) and Defendant (Respondent), alleging that such marriage to be insupportable because of discord or conflict of personalities between Petitioner and Respondent that destroys the legitimate ends of the marriage relationship and prevents any reconciliation and praying for the custody and control of Three (3) children born to such marriage each under the age of Eighteen (18) years.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Witness, Francis J. Bohl, Clerk of the District Court(s) of Medina County, Texas.

Issued and given under my hand and the seal of said court at Hondo, Texas, this the 22nd day of June A.D. 1972.

Little League All Stars down Pearsall

The Hondo-D'Hanis Little League All-Stars won their first victory in the post-season playoffs by a 4-2 margin over Pearsall Tuesday night at the Hondo Little League park.

John Hare pitched the All-Stars to the win, aided by a team which committed only one error in the entire evening. The Pearsall team collected five hits for the game, including a home run

by Giuffre which scored both the Pearsall runs, in the third inning.

Hondo-D'Hanis had a rough time at bat, collecting only three hits over the six inning contest, but they relied on hustle and four Pearsall miscues to provide the winning margin.

In the second inning, Bubba Laughinghouse led off with a walk, and advanced to second on a passed ball. David Renken then slashed a double, scoring Laughinghouse for the first Hondo tally. Mike Graff, the next batter, caught a pitch on his helmet and took his base. Mike Rowlett followed him with a walk to lead the bases. At this point Pearsall pitcher Elizondo bore down and struck out Arcos for the first out. Jim Weynand hit an infield fly for the second out. Then, with a full count and full bases, Kenny Rothe walked, scoring Renken. The inning ended with Jerry Escamilla popping up to the first baseman.

The score was quickly tied as Pearsall came to bat in the third. After leadoff man Smith struck out and Trevino, the shortstop, walked, Giuffre hit a 2-0 pitch over the left centerfield fence to even the game. Elizondo

then walked, putting the leading run on first, but Hare struck out the next two batters to end the threat.

Jim Weynand added what turned out to be the winning margin in the fourth inning, after Rowlett and Ortega had struck out. He reached first on an error, then advanced to second on a passed ball. Rothe's single put him on third, then Escamilla singled. Weynand took off for the plate, decided he couldn't make it, and tried to return to third. A good throw to the plate had Jim in a hot-box by this time, but the third baseman bobbled the toss from the catcher and the speedy Weynand scored.

The fifth inning saw Laughinghouse add an insurance run after he walked and took second on a passed ball. After a sharp grounder by Renken and a popup to the catcher by Zinsmeyer, there were two outs, but Mike Rowlett singled in Laughinghouse to round out the scoring for the evening.

Hitting leaders for the Hondo-D'Hanis team were Escamilla with one hit for three at-bats, and David Renken, with two hits in three times at bat. Hondo-D'Hanis collected four runs

on three hits and had one error, while Pearsall had two runs on five hits, with four errors. Winning pitcher was Hare, and the loser was Elizondo.

UVALDE WINS

The Hondo-D'Hanis Little League All-Stars will travel to Uvalde Friday night for an 8 p.m. game against the Uvalde All-Stars. Uvalde defeated Devine 7-0 on Tuesday night, on a no-hit performance by Duane Halderson.

Softball team gets trophies

On Saturday night, the girls Natalia Chamber of Commerce softball team, Patty Sullivan, Betty Marie Pruitt, Susan Gamble, Patricia Gamble, Dorothy Collins, Mary Gutierrez, Norma Sanchez, Joy Smith, Beverly Mays, Melissa Kirkwood, Laurie Hartley and Diane Hernandez, received their team trophies.

Patricia Gamble, Susan Gamble and Dorothy Collins received All-Star trophies. Don Scott, Coach, Mrs. Scott and Yvonne, along with some of the girls' parents, accompanied the team to River View Park Sunday, July 9, for a picnic outing.

D'Hanis, Hondo win in Hill Country play

The clouds boiled overhead and an intermittent drizzle settled the dust in the basepaths of Pruneda Park, but the three teams involved in a Hill Country League doubleheader of make-up games completed their slate with only two short delays.

The Hondo Eagles, D'Hanis Cardinals, and New Braunfels Braves were the participants in the twin bill which saw D'Hanis smother New Braunfels 15-4. Hondo then edged the Cardinals 6-5 in ten innings.

The opening game saw leadoff man Bob Farlas of New Braunfels walk and later score on a Cardinal error in the top of the first. But D'Hanis regained the lead in the bottom of the first inning, never to relinquish it, as Rusty Attaway pulled a Castillija pitch over the left fence to score himself and Chuck Burrell, who had walked with two out.

The Cardinals added to the score with two runs in the second, one in the third, six in the fourth and four in the sixth. New Braunfels, though held to two hits by starter Burrell and reliever Ray Bendele, managed to scatter three more runs before the game was halted, after seven innings of play, on the ten-run rule. The rule allows a game to end in seven innings when the score differential is 10 runs or more.

Bendele gathered three hits in four times at bat, followed by Johnny Zinsmeyer, Rusty Attaway, Chris Finger, and Ray Wolff, each with two hits in four at-bats. Charles Rothe had two hits for three times at bat. For the Braves, Castillija and Ortiz had hits.

FIRST GAME
N.B. -- 1 0 0 1 1 0 1
D'H. -- 2 2 1 6 0 4 *

Winning pitcher, Burrell; Losing pitcher, Castillija. The second game opened with D'Hanis right fielder Johnny Zinsmeyer scoring on a single by Ray Bendele, after reaching base on an Eagle error. The lead held only until the second inning.

After retiring the Cardinals in order, Eagle hurler Garcia helped his own cause by driving a home run just inside the left field foul pole to score himself and shortstop Dominguez, who had reached on a Cardinal error with two out.

This lead was to be good

through the fifth inning, and Johnny Abrego added an insurance run in the sixth with his deep homer over left center.

The Cardinals pulled within a run of the Eagles in the eighth when Rusty Attaway hit his second home run of the afternoon (and third in as many games), with nobody aboard.

The rain halted play momentarily in the Eagle half of the eighth inning as Cardinal reliever Thomas Gonzales, hampered by the drizzle, walked three men and allowed two Eagle runs to score off the single of pitcher Garcia.

When the Eagle rally was ended, the Cardinal needed three runs in the ninth to force the game into extra innings. After John Bendele was retired on a grounder to third, Wolff walked, then advanced to second on an Eagle catching error. Zinsmeyer then singled, scoring Wolff. Ray Bendele followed with a single and Burrell drove a double into right-center to tie the score by breaking in Zinsmeyer and Bendele, and advanced to third on an error by the third baseman. But the threat was ended as the Hondo infield retired Attaway on a grounder.

The Eagles failed to score in the bottom of the ninth, but Rusty Beard drew a walk, and represented the winning run on first, with two out. But Gonzales struck out Abrego, who had homered earlier, to retire the side.

The tenth inning saw Cardinal first baseman Finger lead off with a single. Gonzales hit into a fielder's choice which forced Finger at second. With Gonzales on first and one out, John Bendele doubled, bring the leading run to third base.

Garcia then once again pitched himself out of trouble as the next two Cardinal batsmen popped up.

Galindo of the Eagles proved to be the winning run as he singled and advanced to second on a passed ball in the bottom of the tenth, with no outs. After Dominguez struck out, the pitcher Garcia hit a grounder which got past the D'Hanis shortstop and allowed Galindo to score and end the game.

SECOND GAME
D'H -- 1 0 0 0 0 0 1 3 0
H -- 0 2 0 0 0 1 0 2 0 1
Winning pitcher, Garcia; losing pitcher, Gonzales.

Hope to lead Owls to state

Hondo High School's new crop of cheerleaders hope to lead the Owls all the way to the State title this year. To help get the job done, they recently attended a Cheerleader's Workshop for a week at Schreiner Institute in Kerrville. While there, they captured 1st and 2nd place ribbons. Shown clockwise from the top are Head Cheerleader Judy Coyle, Donna Poerner, Sharon Meyer and Kevin Tilley.

Library News

Patrons of Hondo Public Library read 17,696 books, paperbacks, magazines, etc. during the fiscal year July 1, 1971, to June 30, 1972, according to a report recently compiled by Mrs. Lottie Maw, Librarian, and Mrs. Ina Mansell, secretary. When the library was opened April 17, 1967, it registered 889 members, and at the end of the ensuing year there were 2,050 books on its shelves.

This latest report shows that library shelves now contain 9,151 books, and that 4,411 membership cards have been issued since that opening in 1967.

Such healthy expansion of library facilities is due in most part to the fine cooperation of library patrons. As witness, from April 17, 1972 through June 30, 1972, the library staff has processed and made available to readers 344 donated books.

Recent donors of reference and fiction books, paperbacks, magazines, etc. include Mrs. Norman Biescher, Robert McGarity, Jr., Mrs. Travis Johnson, Thomas F. Sone, Anne Graham, Lee

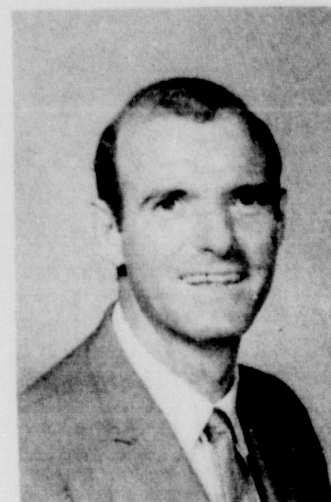

Murphy and Mr. and Mrs. John Coyle. Mr. and Mrs. Robert McGarity, Sr. gave a set of 16 "All About" books. Subjects covered in this group include electricity, jungles, whales, rockets and jets, insects, archaeology, volcanoes, earthquakes, the human body and others.

Please remember the library when you have finished your books, etc. and share them with other readers whose only access to such is your Hondo Public Library. Also, don't forget those overdue books, share them too.

Mrs. Maw reminds the young people who are enrolled in the Summer Reading Program that they must complete and return the twelve required books by July 21. Texas State Library has advised that certificates for this program will be sent to the library as soon as printing is finished.

Marty Mechler

Mechler to lead workshop

Morton W. (Marty) Mechler has been assigned by the Texas Association of Student Councils, the position of Director of their 1972 Leadership Workshop at Trinity University. There will be over 230 students and sponsors - representing some 40 junior and senior high schools throughout the state of Texas - in attendance at the week long workshop beginning July 16th.

Marty will have a staff of 15 educators, some of which include: Sidney King, Asst. Director, MacArthur High, San Antonio; Dr. Lee Hamlin, Consultant, Lancaster, Texas; Sidney Langhart, Dean of Boys, Brackenridge High, San Antonio; Mrs. Nelzane White, Dean of Girls, Jackson Middle School, San Antonio; etc.

The over 200 students were divided into eight hypothetical schools and councils with a variety of problems to solve. Some of the problems and learning experiences for the councils included: Student Council Administration & Organization; Student Council Objectives; Responsibilities of officers and members; Committee report procedure; Publicity; Projects; Area of Student Council Authority, etc.

Marty is currently the Vice-President of Kirby Junior High in the Judson Independent School District, Converse, Texas. He is the son of Mr. and Mrs. Milton Mechler, Hondo.

McAnelly to sing opera role

"There is a lot of satisfaction in the way they have accepted me as a woman manager--they are really happy that we have opened here in Hondo. Everybody is all smiles."

The company periodical ran a full-page devoted to its new Hondo office, with pictures of Miss Doria and the grand opening, along with Medina County scenes. More about the Hondo office will appear in the August Great Westerner.

John McAnelly, Jr., a native of Hondo, will sing the title roles in "Don Giovanni" and "Rigoletto" at the 23rd Annual Inspiration Point Fine Arts Festival at Eureka Springs, Arkansas, on July 19-28.

McAnelly is enrolled for his third season with the Inspiration Point Opera Workshop, and has a full scholarship there.
